About FIH

A subsidiary of Hon Hai Precision Industry and a leader in the worldwide mobile device industry, FIH offers vertically integrated, end-to-end design, development, and manufacturing services spanning handsets, mobile and wireless communication devices and consumer electronics products. Moving into the internet era, FIH leveraged its core strengths in hardware and software to enter the 5G, AI, IoT and IoV (Internet of Vehicle) fields, building a full internet and mobile ecosystem.

About Stellantis

Stellantis is one of the world's leading automakers and a mobility provider, guided by a clear vision: to offer freedom of movement with distinctive, affordable and reliable mobility solutions. In addition to the Group's rich heritage and broad geographic presence, its greatest strengths lie in its sustainable performance, depth of experience and the wide-ranging talents of employees working around the globe. Stellantis will leverage its broad and iconic brand portfolio, which was founded by visionaries who infused the marques with passion and a competitive spirit that speaks to employees and customers alike. Stellantis aspires to become the greatest, not the biggest while creating added value for all stakeholders as well as the communities in which it operates.
